

NAJAD
YACHTS of SWEDEN

NAJAD 450 CC

Sailing Since 1971

Our heritage dates back to the first boatmen on the island of Orust, Sweden. They were followed by generations of skilled boatbuilders, sailors and fishermen, who lived and sailed under harsh conditions. The sea dictated the conditions and was a constant reminder of the vital necessity of quality in all things.

Coming from this tradition, the first Najad was introduced in the early 1970s. The stability and sailing dynamics were a revelation. Ever since, Najad has been a leader in developing the boatbuilding tradition.

For Unique Sailors

When you choose Najad, you have the opportunity to put your mark on one of the most enjoyable investments of your life. Together with our team, with top competence in all areas of boatbuilding, you can personalize your yacht to become a personal statement – an expression of individuality and style linked to your needs on board. This interaction is a vital dynamic in our being. It constantly challenges and develops us. It keeps us at the forefront of boatbuilding. It allows us to put our mark on those magical moments at sea.

NAJAD 450 CC

Najad 450 CC is the result of the Najad philosophy to combine tradition and attention to every detail with sailing performance and outstanding comfort. The centre cockpit provides safety at sea and great living in port. The bowsprit handling Code Zero and gennaker, has the added bonus of easier boarding. The rigging and sail plan is optimized for a 108% genoa, which provides efficient sailing upwind while the visibility to leeward is greatly improved. The interior layout provides a choice between two and three sleeping cabins.

TECHNICAL INFORMATION

L.O.A	13,50 M
L.W.L	12,20 M
BEAM	4,03 M
DRAUGHT (OPTIONAL SHALLOW DRAUGHT)	2,10 M (1,90 M)
DISPLACEMENT	14,0 T
