Cayman *Yachts*

CUSTOMIZED FOR YOU

Cayman Yachts dopo il nuovo esordio dello scorso anno al salone di Cannes con l'entry level S40, quest'anno torna a far parlare di sé presentando l'ammiraglia del cantiere: **Cayman Yachts F920**, grande non solo per le dimensioni ma anche per il contenuto di innovazioni presenti a bordo. Frutto della collaborazione con lo studio "Ferragni Progetti" e con l'interior designer Isabelle Blanchere, questo Fly Bridge caratterizzato da linee seduenti, presenta interni di design con arredamenti delle più grandi firme mondiali.

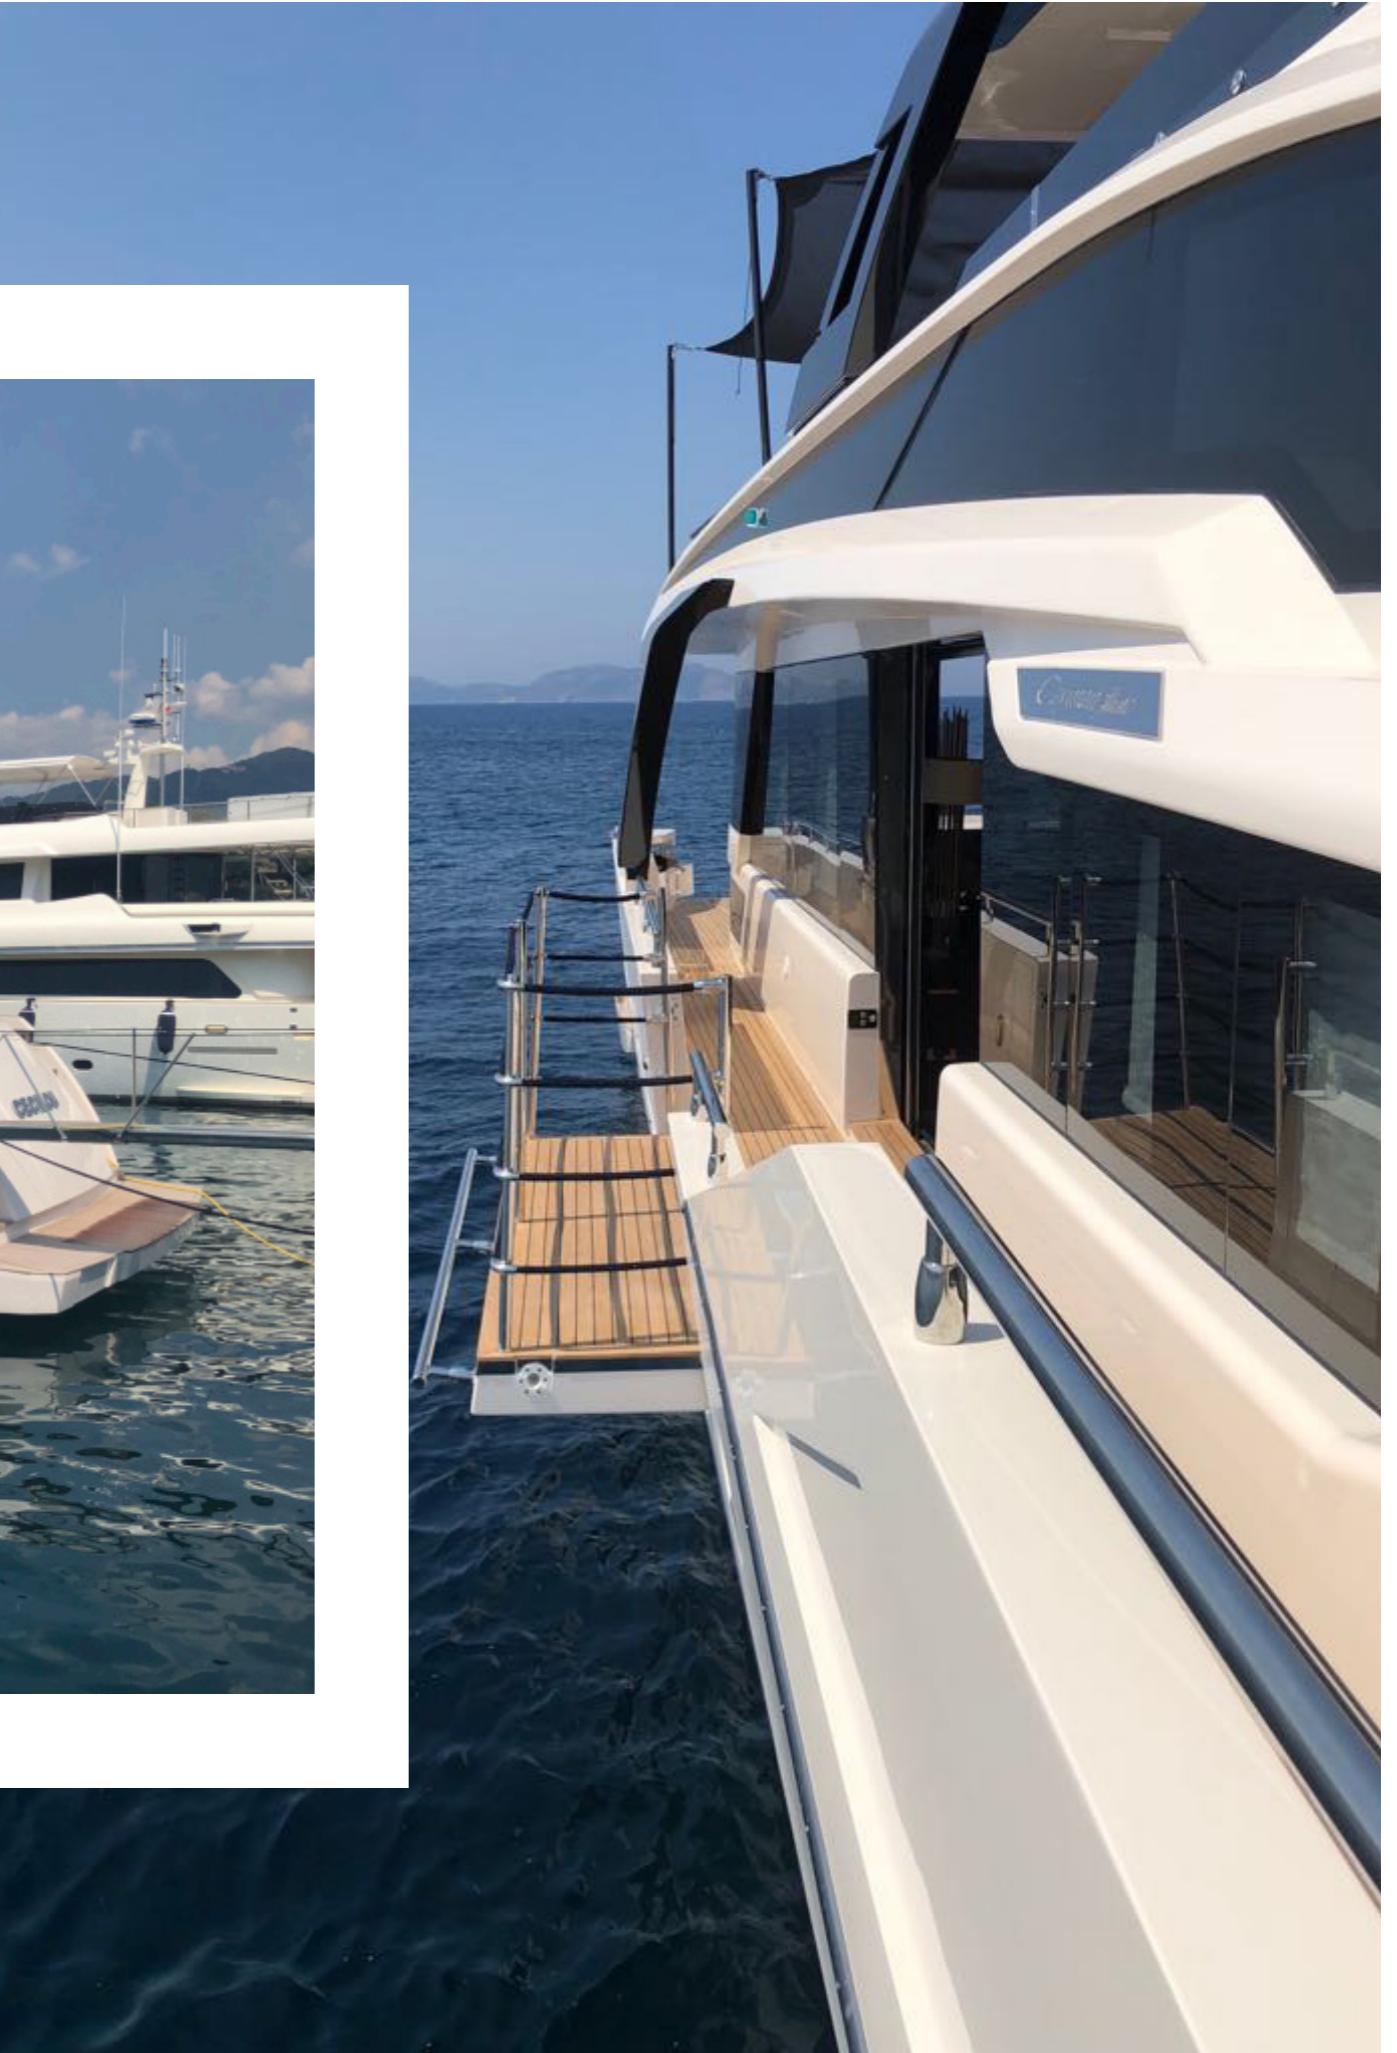

Cayman Yachts has done his coming back at the 2017 Cannes boat show with its S450 model, this year it will once again mark the yachting market with the launch of the brand's flagship: **Cayman Yachts F920**, great not only in terms of size, but also due to the impressed innovations, it carries along. Being the out come of the yard collaboration with "Ferragni Progetti" studio and the interior designer Isabelle Blanchere, this new model as beautiful external lines balanced with the furnitures of the most important brands worldwide.

Cayman Yachts a fait son grand retour au salon de Cannes 2017 en présentant son modèle S450, cette année il va marquer à nouveau le marché de la plaisance avec le lancement du **Cayman Yachts F920**, navire amiral de la marque. Ce modèle est impressionnant, non seulement par ses dimensions, mais aussi pour son condensé exceptionnel d'innovations technologiques. Fruit de la collaboration avec le cabinet "Ferragni Progetti", ainsi que la décoratrice intérieur Mme. Blanchere, ce nouveau modèle est séduisant pour ses lignes externes, ainsi que son magnifique design intérieur réalisé avec des meubles issus des plus grandes firmes mondiales.

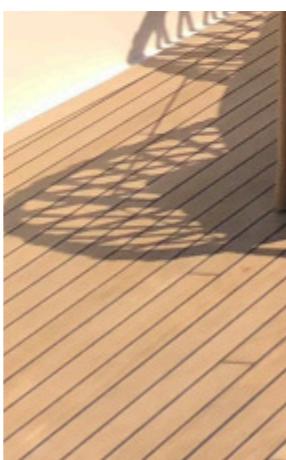

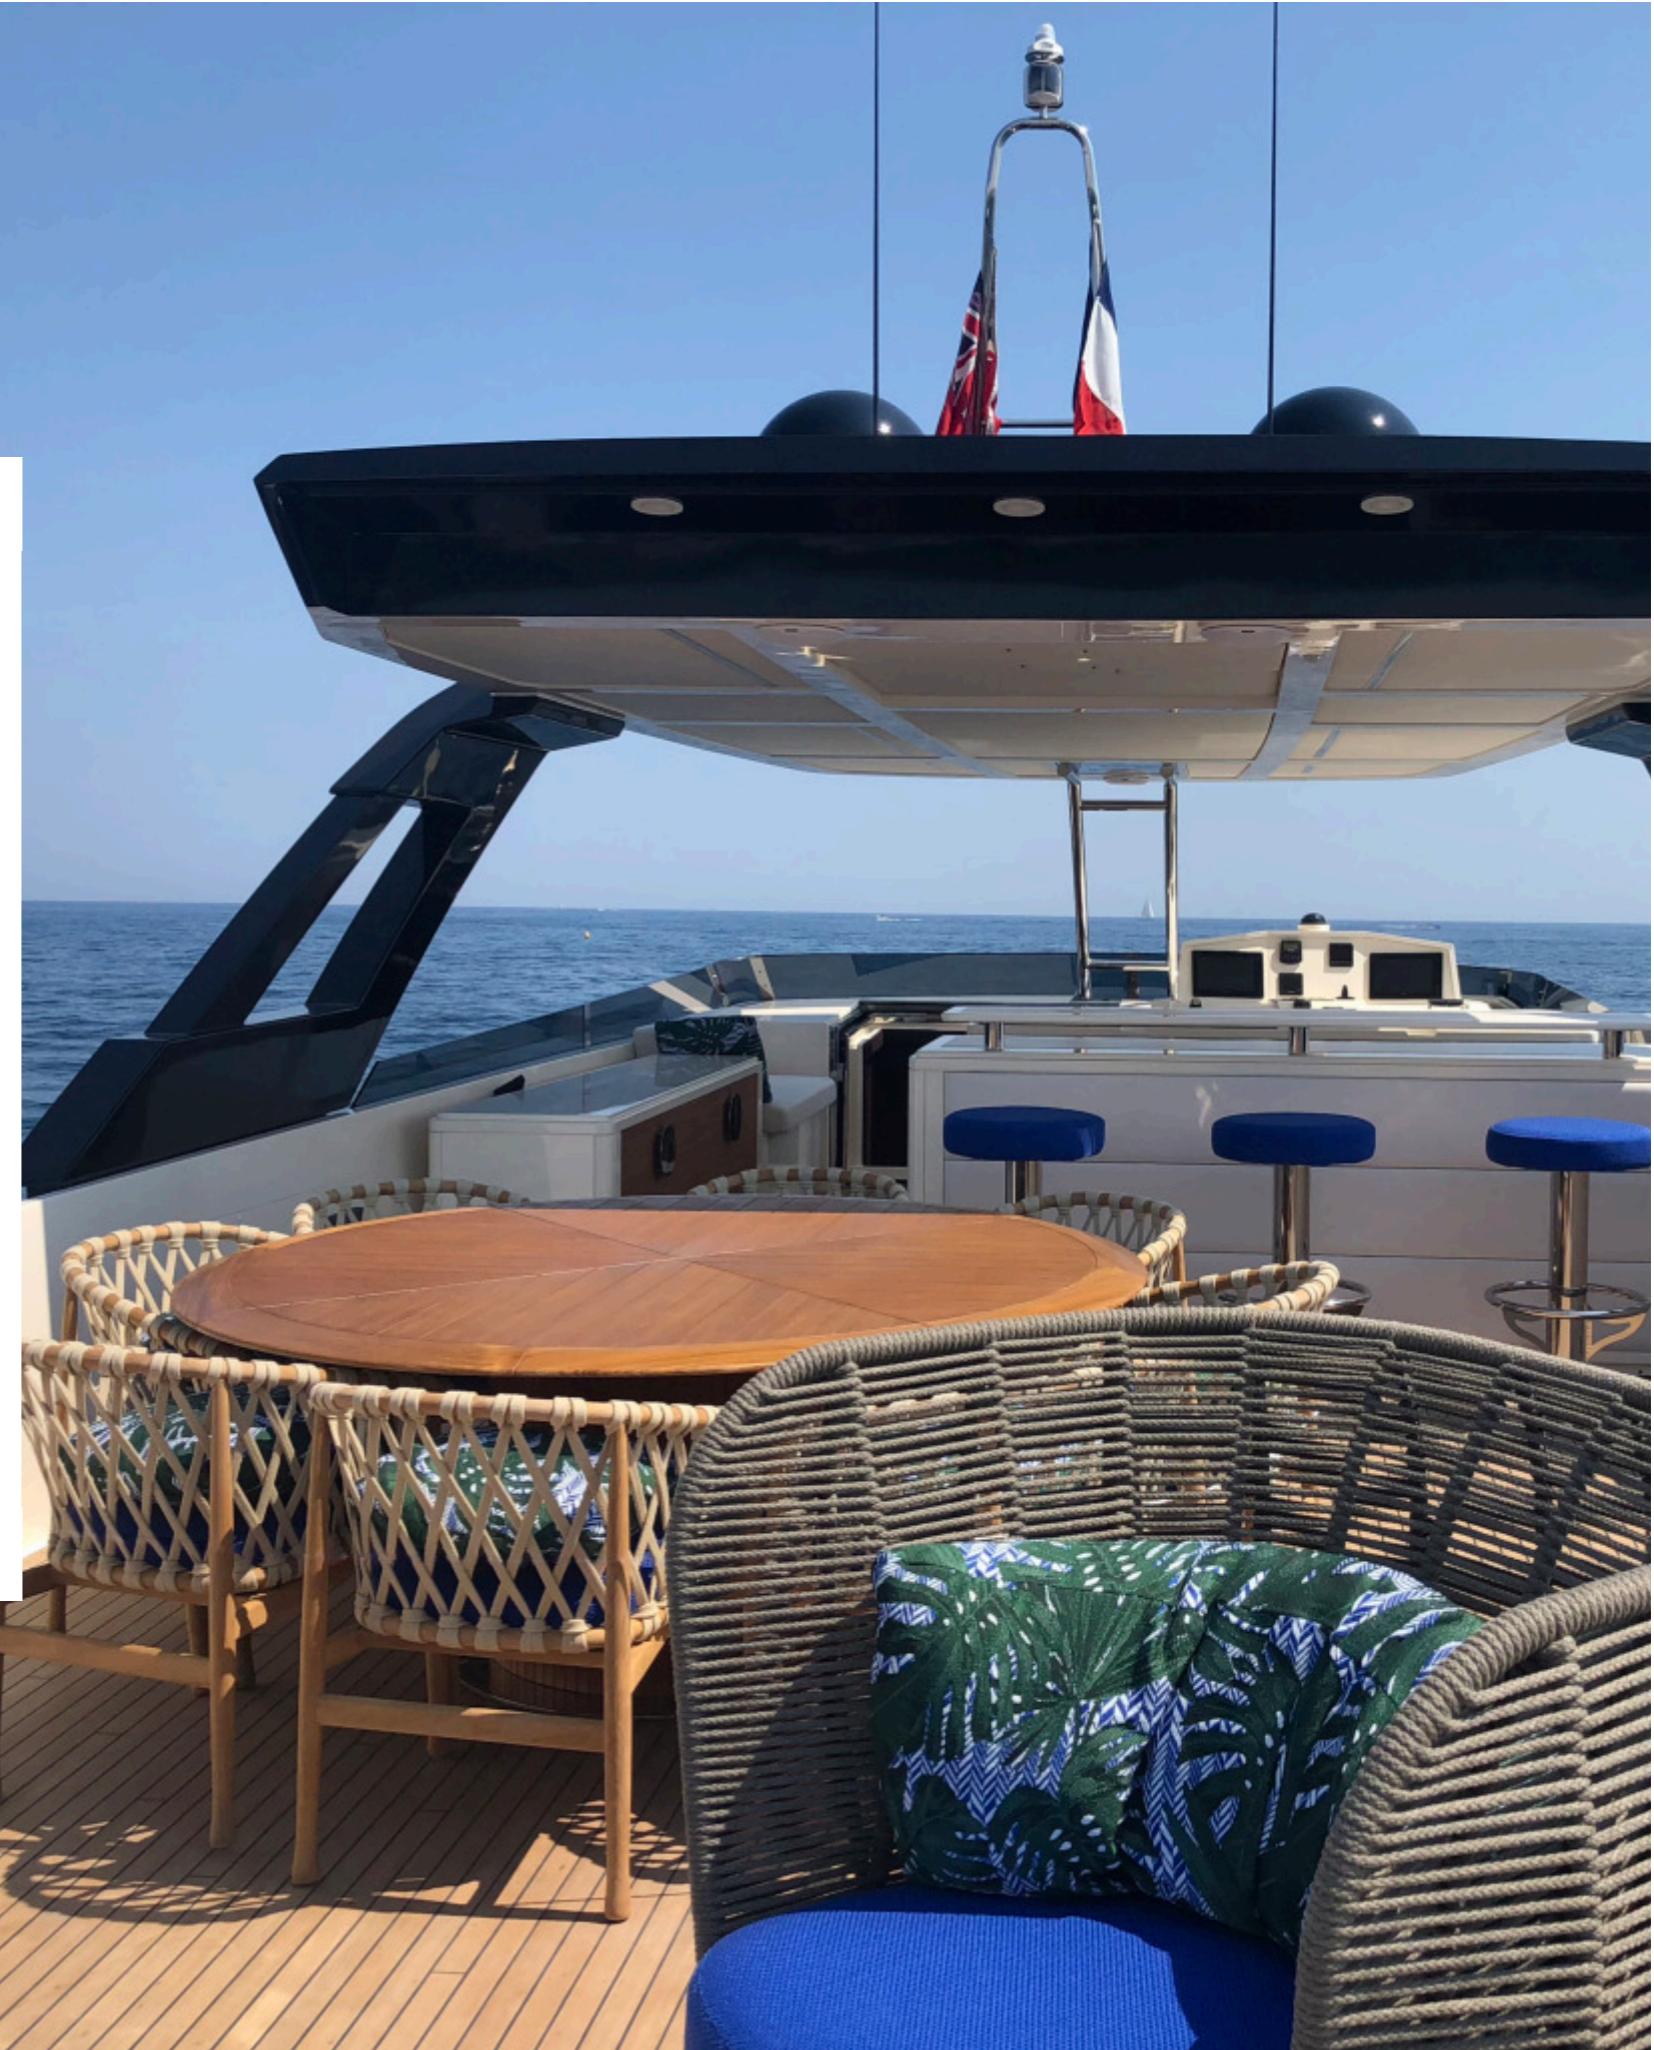

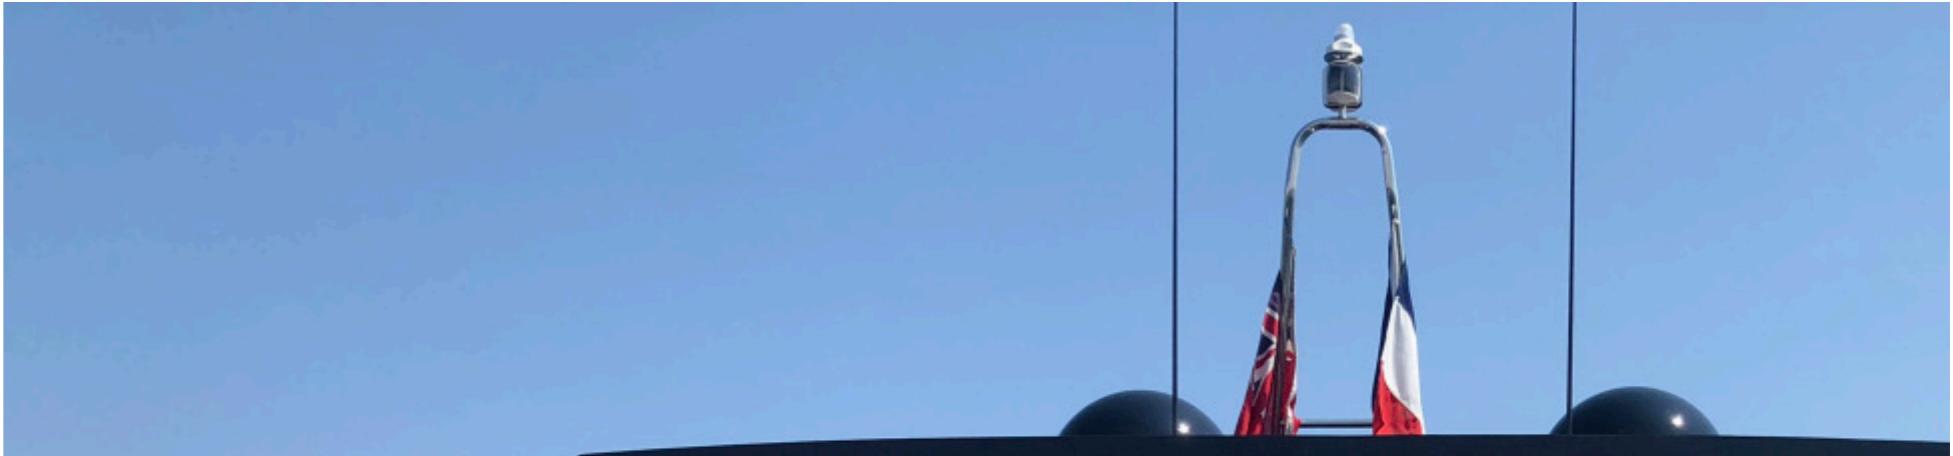

Cayman Yachts después del nuevo comienzo del año pasado en la exposición de Cannes con el entry level S450, este año vuelve a hacerse reconocer presentando la amirante del astillero: **Cayman Yachts F920**, grande no solo para las dimensiones sino para el contenido de las innovaciones presentes en el yacht. Gracias a la colaboración con el bufete "Ferragni Progetti" y con el interior designer Isabelle Blanchere, este flybridge está caracterizado por líneas seductoras, presenta interiores de diseño con decoraciones de las mayores industrias mundiales.
