

Sunseeker 72 Predator

Predator comes with both bow and stern thrusters and also a dockmate controller which can operate both engines, thrusters and anchor remotely. In-fact this was the first yacht bought by the current owners who drive the boat themselves without a Captain. Predator has a very large cockpit with a table that can easily seat 10 guests who can be served from the lovely American-style gas BBQ that dominates the worktop area. The 72 also comes with a tender garage that can fit a 325 Williams jet rib, a hydraulic bathing platform and a crew cabin.

As you enter the saloon you are immediately struck by the lovely décor. The interior was fully refitted in 2017 and the furniture gives the yacht a lovely fresh and calming feel but with a classy touch. The galley is on the accommodation deck as you go down the stairs and is fully kitted-out with a dishwasher, hob and a full height SMEG fridge that was retrofitted. The Master cabin is aft and full beam. There is a twin cabin to starboard with an en-suite that doubles as the day-head. The fourth bunk cabin is forward of the galley and then you have the good-sized VIP forward also ensuite.

SPECIFICATIONS

Manufacturer: **SUNSEEKER**

Model: **Predator 72**

Yacht Type: **Pleasure Yacht**

Hull Material: **Fiberglass**

Year Built: **2005**

Year Delivered: **2006**

Length: **22.26 m**

Draft: **1.65 m**

Beam: **5.34 m**

Displacement: **19 t**

Main Engines: **2 x MAN CRM V12 1550**

Engines Power: **2 x 1550 HP**

Engine Hours: **± 2030 hours**

Fuel Tanks: **3900 l**

Water Tanks: **720 l**

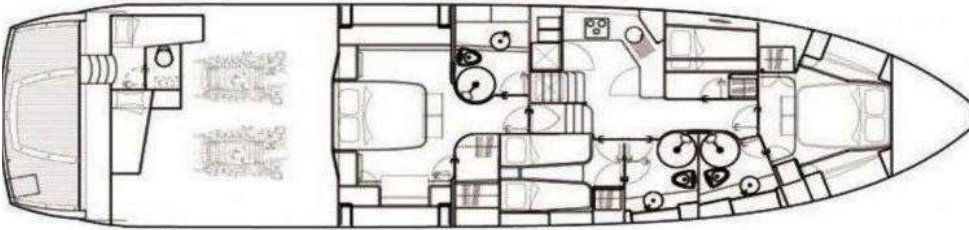

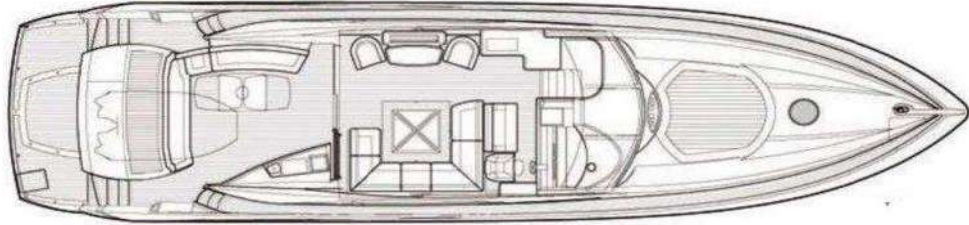

Max Speed: **35 knots**

Fuel Consumption: **300 l/h**

Cabins: **4**

Heads: **3**

Key Points

- Lovely refitted interior
- 4 cabin version
- Great surround sound system
- Dockmate
- Bow and stern thrusters
- Both engines and generators paid
