

Challenge yourself in comfort

The Najad 570 is a world-class yacht by any measure, combining both modern and traditional values. Superb sailing qualities are combined with easy manoeuvring by a two-man crew. The Najad 570 is the perfect world cruiser. Relatively simple technology means that service and maintenance can be performed anywhere in the world.

Najad's design and construction is evident wherever you look. There is thorough design in terms of ergonomics and functionality. The Najad 570 is of an impressive scale from all angles, from the tinted, sweeping, deck saloon windows and the large open deck areas to the fully enclosed cockpit with twin steering pedestals.

Below deck the emphasis is on natural light, ample living space and luxurious comfort. The cutting-edge interior design incorporates large windows in the deckhouse and hull, the interior finish of joinery and craftsmanship is typical of Najad - practical and magnificent craftsmanship at all levels.

With its possibilities for every boat owner to extensively customise the interior, the Najad 570 is the perfect blend of proven and reliable technology. The design is well thought out and sometimes radical - a genuine Najad.

NAJAD 570 CC

A 'world class' yacht by any measure, the commercially successful Najad 570 combines both contemporary and traditional values to stunning effect. From the initial concept, the N570 was created by judel/vrolijk & co to offer something exceptional to the world of blue water cruising. Superb sailing characteristics are combined with easy handling by a crew of two, and the relative technical simplicity of the yacht allows service and maintenance to take place around the world – the perfect global cruiser in fact.
